## Remarks

Note: Remarks are not for responding to an office action.

In accordance with the duty of candor and good faith imposed by 37 C.F.R. 1.56 and means of complying therewith according to 37 C.F.R. 1.97 and 1.98, the references listed in this Information Disclosure Statement are called to the attention of the U.S. Patent and Trademark Office in connection with the above-identified patent application. Applicants submit a total of 107 references, 96 of which are U.S. patents or published patent applications and 11 of which are foreign references. The 96 U.S. patents or published patent applications are hereby submitted electronically. Because electronic Information Disclosure Statement filings are limited to fifty references, two electronic Information Disclosure Statements have been submitted citing the 96 U.S. patents and U.S. published applications. A third Information Disclosure Statement will be submitted in writing via U.S. Postal Service to cite the foreign references. No representation is made that the cited art is the only art or that the cited art represents the best art. The Examiner is urged to consider all of the cited documents and to make an independent evaluation of the teachings and materiality of each. If any additional fees are necessary to complete this communication, please apply them to Deposit Account No. 23-3000.
